February Kindergarten Homework Calendar Name: _____

Please turn this into your teacher at the end of the month!

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1 – 2/2 Practice the sight words you learned in class.	*Which do you like better - winter or spring? Draw a picture and label three parts. *Clap out syllables for: spring, groundhog, February. *Read with someone for 10 minutes.	*Write numbers 0-20 in random order. *Look in a magazine and find 3 things that are in the shape of a square and cut them out. *Read with someone for 10 minutes.	*Write a sentence about an animal that lives in cold weather. *Name a word that rhymes with the following words: hat, sit, pink, silly. *Read with someone for 10 minutes.	*Write 3 words that have the /ng/ sound like in the word wing. *Find and draw a cube, cone, cylinder and sphere in your house. *Read with someone for 10 minutes.	*Count to 100 by 1's, 5's and 10's. How high can you count? *Read a non-fiction book and tell a fact you learned. *Read your library book or a fiction story with an adult.
Week 2 – 2/9 Practice the sight words you learned in class.	*What shape can you make if you push two rectangles together? How about two squares? *Name the middle sound in the following words: pat, chick, take. *Read with someone for 10 minutes.	*Choose a favorite book and list the characters. *Practice writing your full name. Uppercase at the beginning lowercase for the rest. *Read with someone for 10 minutes.	*Ask an adult what their favorite book is and why. *Name the ending sounds in the following words: bench, kick, ball. *Read with someone for 10 minutes.	*Practice drawing a square, triangle, rectangle and circle. *Make a valentine for a family member. *Read with someone for 10 minutes.	*Write 3 words that have the /ou/ sound like in the word cloud. *Can you make an AB, ABB, and ABC pattern? *Read your library book or a fiction story with an adult.
Week 3 – 2/16 Practice the sight words you learned in class.	**No School** *Read with someone for 10 minutes.	*Compare the numbers 7 and 2, 6 and 8, 4 and 9, 10 and 5, 3 and 3. Are they greater than, less than, or equal to? *Read with someone for 10 minutes. Name the problem in the story.	*Find and draw 3 flat and solid shapes in your house (triangle, circle, square, rectangle, cube, cone, cylinder, and sphere). *Make a list of 3 healthy foods you would like to get at the store. *Read with someone for 10 minutes.	*Write numbers 0-20 in random order. *Segment the following words into individual sounds, example: red = /r/ /e/ /d/; map, read, sleep. *Read with someone for 10 minutes.	*Read your library book or a fiction story with an adult. Write two sentences about what you think is going to happen next.
Week 4 – 2/23 Practice the sight words you learned in class.	*Practice counting to 100 by 1's, 5's, and 10's. Can you count backwards from 20-0? *Blend the following sounds to make a word: /f/ /or/ /k/, /s/ /p/ /oo/ /n/, /c/ /oo/ /k/. *Read with someone for 10 minutes.	*Write a kind sentence about a friend. *Find 3 things in a magazine that are in the shape of a circle and cut them out. *Read with someone for 10 minutes.	*Explain to a parent what it means to be trustworthy. *Blend the following sounds to make a word: /c/ /oa/ /t/, /h/ /a/ /t/, /s/ /c/ /ar/ /f/. *Read with someone for 10 minutes.	*Can you use shapes to draw a house? How about a tree and a flower? *Change the beginning sound to a /s/ to make a new word: example pick = sick; tip, pink., cat *Read with someone for 10 minutes.	* Practice tying your shoes, zipping your coat, and putting your snow pants on! *Read your library book or a fiction story with an adult. Can you find five word wall words in your book?
