PAMELA KLICK / Churchill Elementary School
Teacher

YEARS WITH THE DISTRICT: 16
(Years included in main program)

"Pam is simply an amazing teacher! Each and every day, she seems to have more and more energy and enthusiasm! Mrs. Klick creates extremely fun, engaging lessons, which frequently include "tricks" or strategies to help students learn. Pam is also the consummate professional who is collaborative with everyone. I don't think there has been a day in the three years I've worked with her that she hasn't smiled and laughed!

Pam is a great teammate who is always willing to share her ideas and materials, making sure that she is pulling her weight to make her team successful. Her former students love to visit year after year because of the huge impact her loving personality has on them. Making a connection and advocating for her students is one of her main goals, with her #1 goal being to make sure her students love coming to school, as well as making sure they know they are loved. She takes the time to listen to her students as well as parents and does her best to help them where they are at, whether through a song, video, creating a project, or funny story." Larry Piatek, Churchill Elementary School, principal

DEBRA METCALF* / Oswego High School
Custodian

YEARS WITH THE DISTRICT: 25
(Years included in main program)
*Listed in main program as 25-Year celebrant

"Debra is the epitome of a dedicated, hard working employee. The jingle of her keys coming down the hall have been a welcoming sound at Oswego High School for over twenty five years. Her generosity and love for OHS radiates throughout our building, and her passion is obvious considering the pride that she puts into keeping a clean and safe environment for students and staff. Deb is always the first on the call and the last to go, which is why we will miss her dearly! Best of wishes on your next adventure." - Christopher Grays, Oswego High School, principal

SARA PALOMO / Fox Chase Elementary
Custodian

YEARS WITH THE DISTRICT: 20

"Sara is a hard-working, dedicated employee and was a valuable part of the Fox Chase team and the SD 308 Operations Department! During her 20 years of service, she proved to be a genuinely caring and friendly person and was enjoyable to work with. Although Sara will be greatly missed, we wish her all the best in her future endeavors!" - Rob Allison, Director of Operations
