Last call on any donations (money or items). Última llamada en cualquier donación(dinero o artículos).

We want to encourage everyone to donate online using the following link:

www.kccfoodpantry.org/SD308. When they do this, for every \$1 that they donate, they get credit for 8 food items towards your school! This is a much easier way to build your food count.....and such a better option for the Food Pantry as well! *Based on US average costs of food per person, a \$10 donation would feed one person for a week....that is HUGE!*
