

It's that time of year again! This Monday 11/14 we will be starting our annual Toys for Tots drive during homeroom. Please donate as many toys as possible from then until December 16th!

Our goal is 2000 toys this year,

Remember for every NEW UNWRAPPED toy donated, students write their name on a ticket and place it in the envelope. That gives them a chance to deliver the toys with a friend to the Fire Department on the 16th and get breakfast at the Fire Department.

Tickets will be collected each day at the end of homeroom.

The winning Homeroom will get to choose a student to smash a pie in Mr. Edwards face during the Hoops For heart Assembly!!

Please, please, please, get the word out and get as many

NEW and Unwrapped

Toys as possible!

If you have any questions please see Mr. Edwards! C130
