

**Illinois State Board of Education  
District Transportation Requirements - Summary**

**Section 29-3 [105 ILCS 5/29-3]**

*School boards of community consolidated districts, community unit districts, consolidated districts, consolidated high school districts, optional elementary unit districts, combined high school-unit districts, combined school districts if the combined district includes any district which was previously required to provide transportation, and any newly created elementary or high school districts resulting from a high school-unit conversion, a unit to dual conversion, or a multi-unit conversion if the newly created district includes any area that was previously required to provide transportation shall provide free transportation for pupils residing at a distance of one and one-half miles or more from any school to which they were assigned for attendance maintained within the district except for those pupils for whom the school board shall certify to the State Board of Education that adequate transportation for the public is available.*
