NO SHAVE NOVEMBER

This November, we have several male staff members embracing their hair, which many cancer patients lose, to promote cancer awareness. Later this month, students will donate spare change to vote for the staff member with the best beard. The teacher who raises the most money wins!

We are inviting all of our dads to participate in No Shave November as a way to spread awareness and fight a disease that affects many of our Tiger families. Families are also welcome to donate the money usually dedicated to grooming this month to cancer research. Thompson will be hosting a **Donuts with Dads** event on the morning of November 29 to celebrate all those who participated. Stand by for details.

STUDENTS RIDING BUS WITH OTHER STUDENTS

Often times, students will want to go home with another student at the end of the school day. This is perfectly acceptable provided certain criteria are met. *The Transportation Department will not allow sharing of bus routes without these two documents:*

1. Written and signed parent note from one (or more) students riding the alternate bus stating it is ok for their child(ren) to ride home with the other student.
2. Written and signed parent note from the student who normally rides the route stating they are aware the other student(s) will be coming home with their child.

Safety precautions are in place, therefore, we cannot accept last minute parent phone calls or emails stating it is ok for their students to ride home on other routes. Any student who tries to ride an alternate bus and the two notes are not provided, will unfortunately be turned away and sent on their normal bus.

**Students should bring the notes to the front office to have approved and a copy made for them to present to their bus driver.
