To adjust the page layout or other features of the book, click on the **Aa** button on the bottom right side of the page.

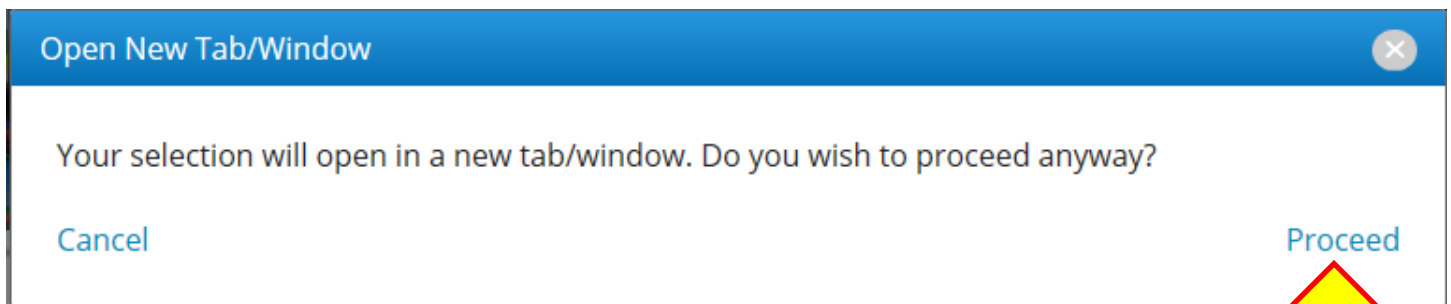

Where can I find the interactive eBooks?

These eBooks have the option of reading the text to the children.

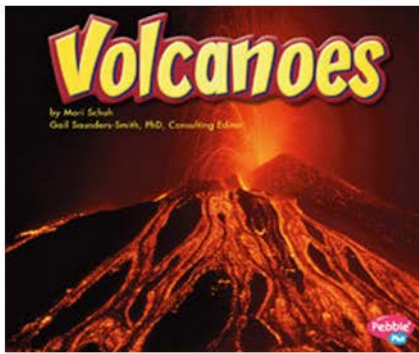

To read unlimited access eBooks (multiple patrons can read the same title at the same time), click on one of the Digital Resource Links shown above.

After making a selection, click on "Proceed."

Navigating Capstone eBooks

Click on a book cover when you find one that interests you. Then click on “Play Book” at the top of the pop-up.

PLAY BOOK

Volcanoes

[Summary](#) [Book Information](#) [More titles from this series](#)

Provide young readers with a better understanding of what causes these weather events and how to stay safe should a dangerous situation arise. With simple text and large, outstanding photos, readers will not only be informed, but also gain an appreciation of these awesome phenomena.

Click on a book cover when you find one that interests you. Then click on “Play Book” at the top of the pop-up

When you're done with that particular book, click on the white X at the bottom of the page.

Navigating Rosen eBooks

Not only do these books read the text to the children, it has pop-ups and videos as well.

Rosen has an electronic bookshelf set up for you. Click on the series that you'd like to read on the left side of the screen, then select a book within that series by clicking on the cover.

When you are done reading that selection, click on the Rosen icon on the top left side of your screen to take you back to the electronic bookshelf.
