

Medical Documentation needed for 6th graders and all students 6th, 7th and 8th grade new to the district before the First Day of School – August 14, 2019

Physicals for incoming 6th graders are good from August 15th 2018 to August 14, 2019

- All in district students entering 6th grade require an updated physical before the first day of school which is August 14, 2019
- Any **out of state student** entering the district needs an updated physical (You have 30 days from the first day of school to provide a physical to the health office. A note from the doctor with an appointment date needs to be supplied to the health office by the first day of school
- Any student entering the district from **another country** (You have 60 days from the first day of school to provide a physical to the health office.
- If you can't get an appointment with your doctor before school. A note from the doctor is required with an appointment date on their letter head, supplied to the health office before the first day of school

Immunizations

- All incoming 6th grade students and new students to the district require a T-dap vaccination.
- A meningococcal vaccination is needed for all students who are 11 years old prior to the first day of school. If your student turns 11 after the first day of school a note with an appointment date and time from the doctor needs to be supplied to the health office before the first day of school

Dental

- All 6th grade students and new students to the district need a dental examination by April 15, 2020.

Annual Health History

- All 6th, 7th, and 8th grade students need an updated Annual Health History supplied to the health office before the first day of school

Thank You
