

# Lab Report Self-Evaluation

Name of Lab: \_\_\_\_\_

1. On which part of the lab report do you think you have improved the most?

\_\_\_\_\_

2. On which section(s) of the lab report did you lose points?

\_\_\_\_\_

3. What could you do to improve the report?

4. Choose one of the following:

- a) If you lost points on the hypothesis, rewrite it
- b) If you lost points on the variables, retry them
- c) If you lost points on the data collection or graph, redo them
- d) If you lost points on the conclusion, what would you add or change

Rewrite the conclusion.
