03/23/15 Parent / Teacher Conference Week  
03/28/15 Spring Break Begins  
04/07/15 Students return from Spring Break

## Box Tops / Labels for Education

Thanks to everyone who participated in the February Box Tops contest. Here are the big winners: Ms. Janor's class collected the most box tops. The top student earners were Peyton from Ms. Janor's class, and Charlie from Ms. Pulsa's class. A total of \$330.10 was earned for East View! Great job to all who participated - thanks for all your hard work!

The **final box tops contest** will run through Friday, April 17th. A few things to remember: Box tops can be glued or taped to the collection sheets, or sent loose in an envelope or bag. Please include your child's name as well as their teacher's name. Labels that have passed their expiration date or do not have a legible date cannot be counted. If you send in **Campbell's Soup Labels For Education**, please do not

attach them to the Box Tops contest sheets. **Also remember to include the bar code.**

Don't forget that proof of purchase / bar codes for all Pepperidge Farm products such as Goldfish and cookies count towards our Labels for Education points. Other Labels for Education products are Bic pens and markers, Pace, Prego, Swanson, Spaghetti O's, V8, and Dannon kids' yogurt. Keep collecting! Every bit helps!

## “Red Carpet” Spring Dance

Get your dancing shoes on... It's time for the Spring Dance! The dance will be held on March 13<sup>th</sup> at Oswego High School from 6:30 p.m. – 8:00 p.m. There will be dancing, activities, photos, and door prizes.

Thank you to all who offered to volunteer for the event. Keep an eye out for volunteer information to come. If you have questions, please contact HSO Treasurer / Special Events chairperson Lisa Jonkheer at [jonkheerhs0@yahoo.com](mailto:jonkheerhs0@yahoo.com)

## ... And A Message From Mrs. DeMont

This year the East View teachers reviewed our Mission Statement. We created a short statement that envelops large ideas. "Building foundations for living and learning - one kindergartener at a time." This encompasses foundations for reading and math as well as foundations for building friendships and good character. Kindergarten is a time when students gain the skills of how to learn, how to investigate, how to solve problems, how to ask questions and how to understand differences. Our mission is to make sure that we look at the whole child and find methods that work for each one of our students. Thank you for partnering with us in this huge, exciting endeavor.

## News From The Art Room...

## Art to Remember Fundraiser-

Thank you so much parents for supporting the Art to Remember fundraiser! With all of the support of the fundraiser the Art program will be able to purchase specialty art supplies, tools, and resources for all of the students to enjoy and Music can purchase some new instruments!

Items are expected to arrive on April 4th and will be sent home with your students once they arrive. If you would rather pick up the items in person, please email me at [tfrost@sd308.org](mailto:tfrost@sd308.org). Thanks again for supporting the arts!

## Follow East View Art Room on Twitter-

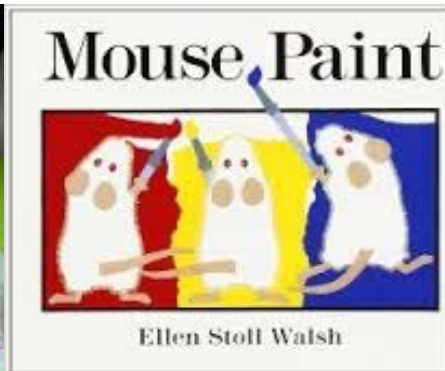

Get a sneak peek on what happens in Art through my Twitter page! Follow the East View Art room at @frostyartroom, <https://twitter.com/frostyartroom>. Catch glimpses of works in progress, classroom fun, games and more!

## What Are We Learning About?

East View Kinders are learning all about color this month! We are beginning with the primary colors, red, yellow, and blue. We created Primary Monsters and Mondrian Cities to get us started.

After learning Mrs. Frost's favorite song "Primary Colors" by OK Go, the students learned how to mix secondary colors, violet, orange and green. We acted like scientists to perform color mixing experiments with Ziploc bags and paint. We then made Mouse Paint collages while practicing color mixing. Coming up next will be learning rainbow order and a little elf will visit named Roy G. Biv!

Check out Mrs. Frost's favorite song "Primary Colors" here- <https://vimeo.com/42924297>

## Art at Home-

Try a color mixing experiment at home with the whole family!

Paper Towel Experiment- All you need is water, cups, paper towels and food coloring! Results can take awhile depending on how absorbent the towels.
