Friday-October 1, 2021

Good afternoon Homestead families,

**Boosterthon kicks off this Monday with a virtual pep rally!** Boosterthon is our annual fundraiser with funds raised supporting our students, school and staff. Your child's teacher will be sharing specific information with you starting next week. The Boosterthon Fun Run will be held on Thursday, October 14 outside, weather permitting, during the day at Homestead. Parents are welcome to watch and social distancing is encouraged. Thank you PTA, especially Michelle Cashman, for organizing the fundraiser and run.

**The 8th Annual Food Drive starts on Monday!** This annual food drive supports the Kendall County Community Food Pantry. Our Student Council sponsors, Mrs. Amoni and Mrs. Wober, will be coordinating this with Student Council. Please see the attached [letter](#) from Student Council about the drive.

Yesterday I sent home an email with information about specific **COVID updates** pertaining to Homestead. If you missed it, you can see it [here](#).

Next Friday, October 8, is a **School Improvement Day**. Students will be released at 12:30 PM. Lunches will NOT be served on this day.

We need volunteers for Career Day! See the attached [flyer](#) for further information.
