Lakewood Creek News:

- Please don't forget to take the 5Essentials Survey before January 30, 2017.
<http://survey.5-essentials.org/illinois/survey/parent>

News Important Enough to Repeat:

- In order to play in the snow during recess, students must wear: coat, hat, gloves/mittens, boots, and snow pants.
- Students will be going out to recess when the wind-chill is above 10 degrees AND it is not too wet or slippery.
- We have very cold weather predicted for this week, so it is a good time to remind parents and guardians to be aware of what time students arrive at school compared to when they are able to enter the building. We don't want children to have to wait outside in the cold, so your cooperation is appreciated.
 - Intramurals start at 7:15 - door #12 is open at 7:15am.
 - Breakfast starts at 8:15 - door #10 is open at 8:15am.
 - We do not have outside morning supervision. Students need to arrive at or after 8:15am.
 - Indoor morning supervision with many doors open begins at 8:30am.
- After school, if you call to let us know that you will be late, please be sure to let us know who will be picking your child up for you. Again, to avoid children waiting in the cold, your cooperation is appreciated.
- We need your pictures for the 2016-17 yearbook! The yearbook company has a new app (Replay It) which allows you to upload your images directly from Facebook. The password is lakewood2016. If you have any questions please contact Gina Garza (gina@dpcollaboration.com).
- Yellow signs for our parent drop off /pick up line have been distributed. Each family has received two yellow signs with children's last names on them. Children will be put into cars that have signs that match children. If you need extra signs please notify our office! If you do not have signs, we will only release children through the office.
- LC HSO is sponsoring a Family Skate night on December 28. See the attached flyer.

Important Dates to Remember:

Monday, January 16, 2017
Thursday, January 19, 2017
