

# **BILINGUAL PARENT ADVISORY COMMITTEE BPAC**

Please join us every month and learn about important topics. On this occasion you will learn about:

## **EL/DL Transitions to Jr. High and High School**

BPAC is a group of bilingual parents with English learners (EL) students. The purpose of the group is to form a collaborative union amongst school district parents, teachers, and administrators. In addition, parents have access to professional development activities to support their student's progress in school. BPAC also participates in the review of spending of grant funds.
