

School Meals Announcement – August 12, 2021

Community Unit School District 308 is excited to announce participation in the Seamless Summer Option (SSO) for School Year 2021-22. Meals will be available at **no cost** to all enrolled students. SSO is administered by the Illinois State Board of Education (ISBE) and funded by the U.S. Department of Agriculture (USDA). SSO is traditionally a program option for schools during the summer but flexibilities due to the pandemic make it available for the upcoming year. Through SSO, all enrolled students qualify to receive a free breakfast and lunch each school day. The district will not be offering ala carte items initially, while logistical challenges are worked out with social distancing at lunch and the use of non-traditional lunchroom spaces. There is no process to enroll, meals will simply be made available to all students, lunch menus can be [viewed online](#).

SSO meals are a healthy balanced selection of grains, vegetables, milk, fruits, and protein foods. Check out this [MyPlate Guide to School Lunch](#) and [MyPlate Guide to School Breakfast!](#)
