

October's GOAL Newsletter 2021

Important Dates

October 8th- 3.5 Hour School Attendance Day
October 11th- No School Indigenous Peoples' Day
October 13th- PSAT testing for students in grades 9-11

Congratulations to our 4 students who have graduated this past month! We are so PROUD...

Dear Parents/Guardians,

We are seven weeks into school and looking forward to a great Spirit Week. Oswego East homecoming is Saturday October 2nd. Please see email from Margaret Darnell regarding possible changing of locations due to weather. The GOAL website also has a calendar of events for Spirit Week, located under "School News."

Drivers Education will begin on October 18th with Mr. Smith, and will run until the Holiday break. If your student is taking Drivers Education please reference Mr. Smith's teacher page on the website. His email address is jsmith@sd308.org or (630) 608-5985.

As the 9 week mark approaches most students should be well on their way to earning at least 2 credits through their online instruction. Please check with your students' homeroom teacher for clarification and progress.

As always, please reach out to Ms. Gerardot, program coordinator, for any questions and/or concerns at mgerardot@sd308.org or (630) 608-5980.
