What is Edgenuity?

Ever wonder what your student is talking about when they say, "I reached my goal!" Take a moment to log into Edgenuity either through the Parent Portal or with your student to see how it works. Edgenuity offers a wide variety of online classes all SD308 board approved. All classes are self-paced with an end date dependent on the amount of credits your student needs to recover. The Parent Portal can be found on the GOAL webpage under quick links. Any questions can be directed to your student's homeroom teacher.

Monthly Trivia Question

How many graduates has the GOAL Program had so far this school year? *Hint: Check the graduation board. Remember answer through your homeroom's google classroom for a chance to win a gift card.
