## Pennies for Patients

The Citizenship Club is currently participating in Pennies for Patients. This program raises awareness and money for leukemia, lymphoma, and other blood cancers.

Students are encouraged to bring in any loose change to donate to this cause. (Cash is also welcome!)

Additionally, anyone who wants to donate on-line may do so using this link:  
<http://events.ils.org/pages/il/PlankJuniorHighSchool-2017>

Some teachers have created a donation page which can also be found using the link above.

Any student who wants to create a donation page for themselves may also do that!

Here are the steps to create a page:

1. Search for your school's page here:

<http://www.studentseries.org/find-your-school>

2. Click on your school name from the list.

3. On the right side, click on Join Your School Team (Students, Parents, ETC.)

4. Follow the instructions. You will receive an e-mail confirmation.

The program runs through March 17. If you have any questions, please contact Mrs. Murphy at [mmurphy01@sd308.org](mailto:mmurphy01@sd308.org)
