PAID TRANSPORTATION PROGRAM

2022/2023 INFORMATION FOR NON-ELIGIBLE BUSING

This form **must** be completed annually. Non-Eligible Bus Transportation may be available for students who live under 1 ½ miles from their attendance center. There is a limited amount of space available for Non-Eligible busing. Students are assigned to an existing route and stop on a first come first serve basis. Transportation is based on the school calendar as designated by the Board of Education. There will be no discounts or refunds made for vacation and/or emergency days as declared by the Superintendent of Schools. **If space is needed for an eligible transportation student, bus riding privileges for paid student riders may be discontinued and a pro-rated refund will be issued approximately 3 weeks from notification. Past privileges do not guarantee future privileges from one year to the next. Open, available seating on existing bus routes is the primary factor in determining if paid ridership is available for purchase.**

2022/2023 Application Deadline:

Deadline for upcoming school year is August 1, 2022, if approved; payment must be made by August 8, 2022 in order for busing to begin at the start of school. After that date, any applications approved will not start until September 13, 2022.

Attendance Exceptions & ELC Tuition Based Program:

- A student approved for an Attendance Exception **does not qualify** for the Paid Transportation Program.
- An ELC Tuition based student **does not qualify** for the Paid Transportation Program as determined by the Board of Education.

Paid Transportation Fees for the 2022/2023 school years are as follows:

- One Child - \$500.00
- Two Children - \$900.00
- Three or more Children - \$1,300.00

Once approved, payments are to be paid in full at www.pushcoin.com.

Outstanding Fees:

A student whose fees are not paid in full or who are not current on their district established payment plan is restricted from participating in the Paid Transportation Program.

Fee Payments/Route Information:

Parents will receive their student's route information within five business days once the Paid Transportation fees are paid in full. Partial payments will not be accepted.

Please note:

School District Policies will be followed for any and all discipline. School personnel will handle all discipline problems. If suspended for any length of time, no refund will be made for the time the student does not ride. Suspension or expulsion from the bus does not exclude attendance from school. The only musical instruments that will be permitted on the bus will be those that fit on a student's lap.

If you have any questions, please contact the District Transportation Center.
